

## Review Ludo Club

### Moonfrog

Ludo Club allows you to relive the fun, simplicity and agility of the traditional Ludo game. The proposal is thousands of years old and was part of the entertainment of civilizations of all times. The app allows you to link the account with social networks, compete against other users and customize your boards, dice and chips

We all seek to have fun forever in our history, many of the ancient civilizations have records of the presence of different types of entertainment methods. Among the most iconic and durable games over the years we find the Ludo. Ludo means "I play" in Latin and is a strategic board game for two or four people. This is a Chinese version, but the rules remain unchanged. It is known by different names depending on the region. It can be called Chopat, Chaupur, Pachisi, Parcheesi, Parkase or Parcheesi. Your task is to run four pieces from start to finish. Players advance according to the clockwise direction. The first player to bring all his pieces to the center of the board wins.

Today technology brings us a great possibility to all those fans of the traditional game that was born thousands of years ago. The Moonfrog company allows us to **download Ludo Club** and enjoy the experience on mobile devices and tablets. The app can be obtained free of charge.
